

42 C.F.R. § 600.520

General cost-sharing protections.

- (a) *Cost-sharing protections for lower income enrollees.* The State may vary premiums and cost sharing based on household income only in a manner that does not favor enrollees with higher income over enrollees with lower income.
- (b) *Cost-sharing protections to ensure enrollment of Indians.* A State must ensure that standard health plans meet the standards in accordance with 45 CFR 156.420(b)(1) and (d).
