

## 2021 Home Health & Hospice Compliance Work Plans: Addressing New Risks and Fresh Takes

---

Regina Alexander, Director, Independent Review Organization Services, VantagePoint HealthCare Advisors. Kelly Murphy-Miller, Senior Manager, BerryDunn.

February 22, 2021

- At the conclusion of the webinar, attendees will understand the compliance risks and revenue integrity opportunities associated with the CMS CY2021 Home Health prospective payment and other policy changes, as well as implementation of the new Medicare Hospice Election Statement and New Election Statement Addendum
- Attendees will learn about the agency-level implications of recent program enforcement activity, including recently completed HHS OIG Office of Audit Services Medicare Home Health work plan items, including practical tips on how administrators or compliance officers can integrate lessons from the audit reports into their own organization's proactive work plan
- Attendees will take away new ideas for internal auditing and monitoring of perennial Home Health & Hospice Medicare program integrity risk areas such as hospice levels of care, home health physician certification and plan of care, and OASIS
