

Corrective Action Plans & Root Causes: Why It's Important to Get Both Right

Alexander Henrichs, Pharmacy Data & Audit Consultant, Aon.

February 1, 2021

- Best Practices and Unique Perspectives on Root Causes and Developing Corrective Action Plans
- Why CAPS rely so heavily on Root Causes, and how to help ensure, as Compliance, that you get it right the first time through
- After the CAP: Measuring and Monitoring results to ensure the Corrective Action is truly Corrective
