

40 C.F.R. § 13.14

Use of credit reporting agencies.

EPA reports delinquent debts to appropriate credit reporting agencies.

(a) EPA provides the following information to the reporting agencies:

- (1) A statement that the claim is valid and is overdue;
- (2) The name, address, taxpayer identification number and any other information necessary to establish the identity of the debtor;
- (3) The amount, status and history of the debt; and
