

40 C.F.R. § 26.1503

Disqualification of an IRB or an institution.

- (a) Whenever the IRB or the institution has failed to take adequate steps to correct the noncompliance stated in the letter sent by the Agency under § 26.1502(a) and the EPA Administrator determines that this noncompliance may justify the disqualification of the IRB or of the parent institution, the Administrator may institute appropriate proceedings.
- (b) The Administrator may disqualify an IRB or the parent institution from studies subject to this part if the Administrator determines that:
