

40 C.F.R. § 6.208

Records of decision.

- (a) The Responsible Official may not make any decisions on the action until the time periods in 40 CFR 1506.10 have been met.
- (b) A record of decision (ROD) records EPA's decision on the action. Consistent with 40 CFR 1505.2, a ROD must include:
 - (1) A brief description of the proposed action and alternatives considered in the EIS, environmental factors considered, and project impacts;
