

Ethikos Volume 35, Number 2. March 25, 2021 Welcome to Ethikos!

By Gerry Zack

I am very pleased to introduce you to the inaugural issue of the relaunched *Ethikos*! Now every member of SCCE & HCCA can enjoy this quarterly magazine as part of their membership. In every issue, you can look forward to thought-provoking articles by expert leaders on topics related to ethics in the workplace, such as whistleblowing and retaliation, behavioral economics, and ethics program development and training.
