2019 Bribery Risk Matrix released by TRACE

Annapolis, Maryland-based TRACE[1] recently released the 2019 TRACE Bribery Risk Matrix.[2] According to the organization's press release, this tool measures business bribery risk in 200 jurisdictions. And, this year, along with the 2019 edition of the Bribery Risk Matrix, TRACE has launched the new Bribery Risk Typology, an interactive map, which the company notes, "provides comparative context for interpreting Matrix scores based on factors such as state fragility and economic complexity."
