Welcome to the first "ESG and compliance" column. Environmental, social, and governance (ESG) issues have become some of the fastest-growing challenges for organizations. Although ESG has been around in one form or another for a long time, what is happening now is very different, and compliance professionals are uniquely suited to help their organization take ESG to the next level—there is great opportunity and much to learn. Here, we hope to help you in your ESG journey, whatever that journey is.
