Sam Logan on Human Trafficking and Modern Slavery Risk [Podcast]

By The Compliance & Ethics Blog on Tuesday, July 02, 2024.

As the risk of human trafficking and modern slavery rises on the radar, compliance teams need to start their risk assessment by looking at the map, says Sam Logan, CEO and founder of Evidencity. The number of jurisdictions with laws in this area are increasing.

HHS Office for Civil Rights Settles HIPAA Security Rule Failures for \$950,000

By U.S. Department of Health and Human Services on Monday, July 01, 2024.

Settlement with Heritage Valley Health System marks OCR's third ransomware settlement as the agency sees 264% increase in large ransomware breaches since 2018.
