

# Current Developments in Compliance Programs' Ethics Considerations for Compliance Officers and Attorneys

---

Theodore Banks, Partner, Scharf Banks Marmor LLC.

2021-09-20

- This session will provide an overview of the ethical considerations that face anyone involved in compliance activities whether or not they are attorneys
- Recent developments over the last year will be presented, including situations where compliance officers have become personally liable for failures in the compliance programs they were directing
- There will also be a discussion of certain areas, such as technology, posing ethical obligations that might surprise a compliance officer
