

29 C.F.R. § 810.410

Administrator's review for omissions or errors.

- (a) The Administrator will review the information submitted under § 810.405(a) for omissions or errors. If the Administrator determines that the high-wage components of the certification contain no omissions or errors, WHD will notify CBP that the high-wage components of the certification have been properly filed.
