

# 15 U.S. Code § 9304

---

## Partnerships in sustainable chemistry

---

### **(a) In general**

The agencies participating in the Entity may facilitate and support, through financial, technical, or other assistance, the creation of partnerships between institutions of higher education, nongovernmental organizations, consortia, or companies across the value chain in the chemical industry, including small- and medium-sized enterprises, to—

- (1) create collaborative sustainable chemistry research, development, demonstration, technology transfer, and commercialization programs; and
