
42 U.S. Code § 300gg-138

Continuity of care

A health care provider or health care facility shall, in the case of an individual furnished items and services by such provider or facility for which coverage is provided under a group health plan or group or individual health insurance coverage pursuant to section 300gg-113 of this title, section 9818 of title 26, or section 1185g of title 29—
