

The no Surprises act turns one (month): Implementation lessons from 2021 and what to expect from 2022

Brenna Jenny, Partner, Sidley Austin LLP.

2022-02-07

- Understand the primary obligations imposed on regulated entities under the No Surprises Act regime.
- Recognize key implementation decisions made by the Departments in regulations issued in 2021.
- Identify critical open questions around implementation and enforcement.
