

Stark and Anti-Kickback Statute: What you Need to Know About the Regulatory Spring to Coordinate Care

Stewart Kameen, Partner, Bass Berry & Sims.

Kimberly Brandt, Partner, Tarplin, Downs & Young, LLC .

2021-11-05

- Review the background: how we got here, including background on the shift from volume to value and overcoming regulatory fraud and abuse hurdles.
- Discuss how recent changes to the Big Three Stark definitions impact current and future arrangements
- Examine the new value-based enterprise structure and the potential for new value-based arrangements, including arrangements that share upside and downside risk
- Study new opportunities to provide free items and services to patients to support care needs and address unmet needs, including social determinants of health
