

DC Update: Regulatory and Legislative Issues to Watch DC Update: Regulatory and Legislative Issues to Watch

Kimberly Brandt, Partner, Tarplin, Downs & Young.

2022-03-29

- Present analysis of current CMS policy actions and what those mean for provider compliance
- Discuss of what it means now that the public health emergency (PHE) is coming to an end
- Discuss whether the CMS flexibilities granted by the PHE waivers will continue and in what form
