- Updating and implementing charity care policies and procedures in compliance with state and federal laws
- Ensuring you are providing patients and providers with the "right" notices at the right time pursuant to AB 1020, AB 532, and the No Surprises Act (NSA)
- Implementing the NSA Good Faith Estimate (GFE) requirement uniformly across hospital-based clinics and physician practices, both now and with an eye towards future implementation by CMS
- Consideration of the Select Dispute Resolution (SDR) process for uninsured patients
