

# Taking Your Code Digital – A Practical and (Relatively) Pain-free Approach

---

Kirsten Liston, Principal and Founder, Rethink Compliance.

2022-06-08

- Your employees live in the digital world, but many Codes of Conduct are still PDF documents.
- Going digital can supercharge the user-friendliness and reach of your Code – and offer game changing analytics.
- See how Marathon Oil created a digital Code of Conduct and app – without getting bogged down in the technology.
