

CEP Magazine – August 2022 Practicing mindful compliance

By Matthew Silverman

Matthew Silverman (matthew.silverman@viavisolutions.com) is the Global Trade Director & Senior Counsel at VIAVI Solutions in Chandler, Arizona, USA.

In our house, I’m the “expert” on compliance. My wife is the expert on mindfulness—she teaches it for a living. It often occurs to me how her mindfulness practice intersects with my field of work.

Mindfulness is the ability “to be fully present, aware of where we are and what we’re doing, and not overly reactive or overwhelmed by what’s going on around us.”^[1]
