

## 40 C.F.R. § 121.5

---

### Request for certification.

---

(a) Where a project proponent is seeking certification from any certifying authority, the request for certification shall include the following minimum contents:

(1) If the request for certification is for an individual Federal license or permit, it shall be in writing, signed, and dated and shall include the following:

(i) A copy of the Federal license or permit application submitted to the Federal agency; and

(ii) Any readily available water quality-related materials that informed the development of the application.

(2) If the request for certification is for the issuance of a general Federal license or permit, it shall be in writing, signed, and dated and shall include the following:
