

2 C.F.R. § 1108.295

Principal investigator.

Principal investigator means either:

- (a) The single individual whom an organization that is carrying out a research project with DoD support designates as having an appropriate level of authority and responsibility for leading and directing the research intellectually and logistically, which includes the proper conduct of the research, the appropriate use of funds, and compliance with administrative requirements such as the submission of performance reports to DoD; or
