

## 2 C.F.R. § 1108.2

---

### Precedence of definitions of terms in national policy requirements.

---

(a) *General.* Some portions of the DoD Grant and Agreement Regulations (DoDGARs) may use a term in relation to compliance with a national policy requirement in a statute, Executive order, or other source that defines the term differently than it is defined in subpart B of this part. For purposes of that particular national policy requirement, the definition of a term provided by the source of the requirement and any regulation specifically implementing it takes precedence over the definition in subpart B of this part. Using the definition of a term that takes precedence for each national policy requirement is therefore important when determining the applicability and effect of that requirement.
