

## 29 C.F.R. § 1695.8

---

### Public access to current guidance documents.

---

- (a) All current guidance documents shall be published with a unique identifier including, at a minimum, the document's title, date of issuance or revision, and its Z-RIN (if applicable).
- (b) All current guidance documents shall be made available through a single “guidance portal” on the Commission website, together with a single, searchable, indexed database available to the public;

This document is only available to subscribers. Please log in or purchase access.
