

# 15 U.S. Code § 9511

---

## Private sector development

---

The Under Secretary shall, whenever the Under Secretary determines such action is necessary or appropriate—

(1) provide Federal assistance to minority business enterprises operating in domestic and foreign markets by making available to those business enterprises, either directly or in cooperation with private sector entities, including community-based organizations and national nonprofit organizations—

- (A) resources relating to management;
- (B) technological and technical assistance;
- (C) financial, legal, and marketing services; and
- (D) services relating to workforce development;
