Summary of Emergency Services Under the No Surprises Act and an Example of State Law Interaction With the Federal Law

By Nina Youngstrom

Here's a brief summary of emergency services, including post-stabilization, under the No Surprises Act, and an example of how patient cost-sharing is affected when a state's surprise medical billing law is less comprehensive than the No Surprises Act.^[1] They were developed by attorney Brenna Jenny, with Sidley Austin LLP. Contact Jenny at bjenny@sidley.com.
