

Speak up and Listen for a Healthy Workplace Culture

Jonathan Gonzalez, Senior Legal Counsel, Syntrio, Inc..

Jason Lunday, Chief Learning Officer, Syntrio, Inc..

2022-09-07

- Why organizational culture impacts the bottom line.
- A healthy workplace culture has a direct relationship to employee engagement.
- Encouraging employees to speak up sets the foundation for a healthy workplace culture, and why managers "listening up" is essential to this effort.
- Why the need for physical and psychological health and safety and feelings of respect and fairness are necessary to engage employees and inspire their greater efforts.
- How a healthy workplace culture supports ethics and compliance and other risk management efforts
