

Report on Medicare Compliance Volume 31, Number 45. December 19, 2022

News Briefs: December 19, 2022

By Nina Youngstrom

◆ The HHS Office of Inspector General (OIG) has updated its work plan.^[1]

◆ **OIG has posted its list of top unimplemented recommendations to reduce fraud, waste and abuse.**^[2] They include addressing inappropriate nursing home discharges; recovering \$1 billion of overpayments from incorrectly assigned malnutrition diagnosis codes on hospital inpatient claims; and increasing access to opioid use disorder treatments.
