- Get woke and learn about DEI, your compliance duties, and the sentiments of your labor pool.
- Set a solid foundation for legal and regulatory compliance around DEI using the Federal Sentencing Guidelines (FSG), enterprise risk management (ERM), and compliance risk management.
- Build and communicate a compelling DEI story and structure that resonates with employees and drives organizational change.
- Stack flashy employee engagement activities atop compliant DEI policies to transform DEI from a "must do" to an "essential way of life".
- Consistently measure results, assess gaps, and refine actions to get incrementally better over time
