
42 U.S. Code § 300j-19g

Midsize and Large Drinking Water System Infrastructure Resilience and Sustainability Program

(a) Definitions

In this section:

(1) Eligible entity

The term “eligible entity” means a public water system that serves a community with a population of 10,000 or more.

(2) Natural hazard; resilience

The terms “resilience” and “natural hazard” have the meanings given those terms in section 300i-2(h) of this title.

(3) Resilience and sustainability program

The term “resilience and sustainability program” means the Midsize and Large Drinking Water System Infrastructure Resilience and Sustainability Program established under subsection (b).
