

42 U.S. Code § 300j-19h

Advanced drinking water technologies

(a) Study

(1) In general

Subject to the availability of appropriations, not later than 1 year after November 15, 2021, the Administrator shall carry out a study that examines the state of existing and potential future technology, including technology that could address cybersecurity vulnerabilities, that enhances or could enhance the treatment, monitoring, affordability, efficiency, and safety of drinking water provided by a public water system.

(2) Report

The Administrator shall submit to the Committee on Environment and Public Works of the Senate and the Committee on Energy and Commerce of the House of Representatives a report that describes the results of the study under paragraph (1).
