## Procedures for release of commercial information.

---

(a) *Notification to submitters of confidential commercial or financial information.* When AmeriCorps possesses confidential commercial or financial information, and receives a request for the records, the Agency will, before release of any information:

- (1) Notify the submitter about the request and provide copies of the requested records;
- (2) Tell the submitter what information it proposes to disclose and withhold in accordance with Exemption (b) (4) of the Act; and
- (3) Require the submitter to inform the agency in writing, within 10 business days from the date the notice is sent, if they object to any proposed disclosure of commercial or financial information in the records.
