

45 C.F.R. § 2507.16

Definitions for this subpart.

In addition to the definitions in § 2507.3, the following definitions apply to this subpart:

Commercial use request is a FOIA request for a purpose that furthers a commercial, trade, or profit interest, which can include furthering those interests through litigation. The Agency's decision to place a requester in the commercial use category will be made on a case-by-case basis, in consideration of the requester's intended use of the information.

Direct costs are the expenses AmeriCorps incurs in searching for and duplicating (and, in the case of commercial use requests, reviewing) records in order to respond to a FOIA request. Direct costs do not include overhead expenses such as the costs of space, or of heating or lighting a facility.
