

45 C.F.R. § 2507.21

Other charges.

- (a) *Charges for other services.* Although it is not required to provide special services, if AmeriCorps chooses as a matter of administrative discretion to do so, it will charge the direct costs of providing those services. Examples of such services include certifying that records are true copies, providing multiple copies of the same document, or sending records by means other than first class mail.
