

## 42 C.F.R. § 485.514

---

### Condition of participation: Provision of services.

---

- (a) The REH's health care services must be furnished in accordance with appropriate written policies that are consistent with applicable state law.
- (b) The policies must be developed with the advice of members of the REH's professional health care staff, including one or more doctors of medicine or osteopathy and one or more physician assistants, nurse practitioners, or clinical nurse specialists, if they are on staff under the provisions of § 485.528(b)(1).
