

## Report on Medicare Compliance Volume 29, Number 18. May 11, 2020 News Briefs: May 11, 2020

By Nina Youngstrom

- ♦ The HHS Office for Civil Rights has posted<sup>[1]</sup> guidance reminding providers that "the COVID-19 public health emergency does not alter the HIPAA Privacy Rule's existing restrictions on disclosures of protected health information (PHI) to the media."
- ♦ The HHS Office of Inspector General on May 8 again updated its answers to FAQs<sup>[2]</sup> about the application of administrative enforcement authorities to arrangements connected to the COVID-19 public health emergency.
