

40 C.F.R. § 158.1784

Wood-destroying beetles.

- (a) *General.* The tables and test notes in this section apply to wood-destroying beetles. The labeling claim determines the required test species. The required test species for a labeling claim appears in paragraph (b) of this section. The required performance standards appear in paragraph (c) of this section.
- (b) *Test species.* For products making a claim against wood-destroying beetles, the required test species for a labeling claim is set forth in the following table.
