

# How Do You Conduct an Ethical Investigation? How Do You Conduct an Ethical Investigation?

---

Merik Bloch, Principal, Winter Investigations.

2023-03-15

- Understand the concepts of procedural justice so you can apply them to your cases.
- Explain the safeguards each organization needs to ensure credible and defensible investigations.
- Learn how to apply ethical principles to your whistleblower and incident-response processes.
- Know the rights and responsibilities of the investigator, the person making the report, and the subject employee under investigation.
