- What flexibilities are ending and which ones has Congress authorized to continue beyond May
- An overview of the telehealth and hospital at home flexibilities which will continue through December 2024
- How will CMS validate provider compliance with both the requirements during the PHE and after the end including what to expect in terms of audits
- States are working to ensure the 15M people who received Medicaid coverage during the PHE are either still eligible or transferred to other coverage, but not everyone will qualify. What does that mean for providers?
- What else do you need to do to prepare compliance wise for this upcoming transition?
