

# Benchmarking Your Whistleblowing Hotline & Incident Reporting Program – CI0423

---

Aaron Aab , Associate Vice President, Customer Support and Data Analytics, NAVEX.

2023-04-26

- Healthcare organizations represent the second highest industry in the NAVEX database of over 1.5 million reports taken in the last year. Based on the new NAVEX Hotline Benchmarking Report, understand key trends in employee reporting, outcomes, and their trajectories
- Understand where healthcare stands across the most important of these elements, analyzing where the industry leads and where they fall short
- Gain strategies you can use with this data to measure, inform, and improve your speak-up culture and regulatory compliance
