
15 U.S. Code § 9704

Service coordination hydrologists at River Forecast Centers of the National Weather Service

(a) Designation of service coordination hydrologists

(1) In general

The Director of the National Weather Service (in this section referred to as the “Director”) shall designate at least 1 service coordination hydrologist at each River Forecast Center of the National Weather Service.

(2) Performance by other employees

Performance of the responsibilities outlined in this section is not limited to the service coordination hydrologist position.
