

# 42 U.S. Code § 280g-18

---

## Maternal mental health hotline

---

### **(a) In general**

The Secretary shall maintain, by grant or contract, a national maternal mental health hotline to provide emotional support, information, brief intervention, and mental health and substance use disorder resources to pregnant and postpartum women at risk of, or affected by, maternal mental health and substance use disorders, and to their families or household members.
