

## 40 C.F.R. § 180.724

---

### Benzpyrimoxan; tolerances for residues.

---

(a) *General.* Tolerances are established for residues of benzpyrimoxan, including its metabolites and degradates, in or on the commodities in Table 1 to this paragraph (a). Compliance with the tolerance levels specified in Table 1 to this paragraph (a) is to be determined by measuring residues of benzpyrimoxan (5-(1,3-dioxan-2-yl)-4-[[4-(trifluoromethyl)phenyl]methoxy]pyrimidine) in or on the following commodities:
