Let's get together

by Gerry Zack

I sure hope everyone is ready to reconnect with their local compliance colleagues. COVID-19 sure put a damper on in-person events, and regional networking suffered. After being limited to virtual-only for a while, we offered a mixture of 16 in-person and 10 virtual options in regional events for you in 2023.

All that will change in 2024. Your voices have been heard, so we are planning a full slate of in-person regional compliance conferences in 2024. We'll be returning to some locations we haven't been to in several years. And we can't wait! We'll also drop any virtual versions of regional conferences from our plans—the words virtual and regional together never really did make sense, but it was necessary for a while.
