

2023 Combating the Opioid Crisis Through a Compliance Lens 2023 Combating the Opioid Crisis Through a Compliance Lens

Peiman Saadat, V.P. Regulatory Compliance, AdvantageCare Physicians .

2023-12-14

- Identify key areas of existing and potential opioid related risks within a healthcare organization.
- How to mine and analyze the data readily available to identify priorities.
- Engage internal partners to support all elements of a compliance led program combatting opioid crisis.
- Design a plan that addresses how to avoid opioid-related fraud/misconduct and promote patient safety.
