

Humanizing Compliance and Utilizing Technology: Yes, You Can Do Both!

Margarita Derelanko, Director of Compliance, Ivy Rehab Network, Inc..

2023-12-01

- Review a unique case study demonstrating that compliance programs can have a tech-enabled ticketing system without losing the human touch and high engagement with teammates
- Discover how compliance teams can evidence their programs' value creation and organizational impact beyond revenue protection
- Adapt the proposed approach and maximize efficiencies, while experiencing a welcome inbox relief for the whole compliance team
