

## 45 C.F.R. § 2525.70

---

### What are the effects of an erroneous certification of successful completion of a term of service?

---

- (a) If AmeriCorps determines that the certification made by a national service program under § 2525.10(a)(2) is erroneous, AmeriCorps shall assess against the national service program a charge for the amount of any associated payment or potential payment from the National Service Trust, taking into consideration the full facts and circumstances that led to the erroneous or incorrect certification.
