

## 40 C.F.R. § 180.725

---

### Pyraclonil; tolerances for residues.

---

(a)-(b) [Reserved]

(c) *Tolerances with regional registrations.* Tolerances are established for residues of the herbicide pyraclonil, including its metabolites and degradates, in or on the commodities to the table to this paragraph (c). Compliance with the tolerance levels specified in the table to this paragraph (c) is to be determined by measuring only pyraclonil (1-(3-chloro-4,5,6,7-tetrahydropyrazolo[1,5-*a*]pyridin-2-yl)-5-(methyl-2-propyn-1-ylamino)-1*H*-pyrazole-4-carbonitrile).
