

Report on Medicare Compliance Volume 33, Number 15. April 22, 2024

Quick Guide to the Old Versus New Compliance Program Guidance

By Nina Youngstrom

The HHS Office of Inspector General prepared this chart to summarize some key differences between its longstanding compliance program guidance (CPG) and new General Compliance Program Guidance (GCPG)/forthcoming industry segment-specific compliance program guidances (ICPGs). The ICPGs will start to be released later this year.^[1]
