Excerpts of OIG's Hospital Compliance Dashboard

By Nina Youngstrom

The HHS Office of Inspector General (OIG) performs a risk assessment to select hospitals for a compliance audit. The risk assessment includes a Hospital Compliance Dashboard, which includes claims and billing data for every hospital in certain risk areas, according to OIG Senior Auditor Scott Perry (see story, p. 1).^[1] Contact him through the OIG public affairs office at public.affairs@oig.hhs.gov.
